

Dear Guest,

Thank you for inquiring into our meeting / banquet facilities here at the Lindsay Inn.

We offer a full range of services to our guests ranging from preparing a room to your specs for a meeting, to providing full banquet service. Our experienced staffs are well versed in all aspects of these services. Our in house coordinators are able to ensure your every need is met.

We have 3 wonderful rooms on the main floor of our property. These rooms can accommodate groups from 4 – 100 people.

We have 44 motel style rooms on the property as well. There are standard rooms with one double bed, King executive rooms equipped with a workspace and finally rooms with 2 double beds. Three different styles of rooms ensure everyone's individual needs are met. These rooms have all been renovated over the past few years and promise to please.

You can feel confident that we will make your wishes our priority. We understand that small details are very important and pay close attention to them. We look forward to working with you to make sure your event goes exactly as you wish it to.

Sincerely,
The Lindsay Inn Management and Staff.
